About

Mission Gift Festival is Just Around the Corner We will celebrate Mission Gift Festival on Sunday, December 3 with worship, song, Holy Communion, and messages from our ministry partners. After worship, join us in the Revelation Room to visit with representatives of our partner agencies, purchase gifts for your loved ones, and enjoy a cup of coffee with friends. Mission agencies this year include some long-time partners and some more recent missions: Heifer International, "Rooted & Rising - Washington Park" (formerly United Methodist Children's Services), Northcott Neighborhood House, the Women's Center, Hope Center, and Book Ahead. With everything from books to buffalos, there's something for everyone!

How it Works

Browse our shopping list and select items you want to purchase in honor of loved ones. You can chat with representatives from the partner agencies to help you make your selection or just to learn more about the important work they do. When you're ready, proceed to the checkout with your completed list. There a friendly CUMC member will complete your transaction and make a copy for your records (if you wish). Then proceed to the gift cards table and pick up cards and notes about your gift to share with your loved ones. That's all there is to it! You'll have time to get more coffee! You'll have a great time with your CUMC family, and you'll know that you are making a real difference in our community and around the globe. Looking forward to celebrating with you!
