

United  
Women  
in Faith

**We believe  
love in action  
can change  
the world.**

Who We Are...

---

**We're a  
sisterhood  
acting in faith to  
tackle the hard  
work of the  
world without  
hesitation.**

Driven by God's love and united in sisterhood, we work to improve the lives of women, children and youth. Every day, we show up. We take action. We get it done. And we invite you to join us.

Who are United Women in Faith?

---

## **Mission**

We seek to connect and nurture women through Christian spiritual formation, leadership development, creative fellowship and education so that they can inspire, influence and impact local and global communities.

## **Vision**

We are a powerful, fearless force driven by God's love and united in sisterhood. With a focus on women, children and youth, we act for justice and transform communities.

We face the realities we see in the world, even when they are not the ones we would like to see. However, our goal is not to bear witness simply to harms but also to God's love by acting boldly to change those harms.

## **Action**

Bold action, like faith, takes courage. Our bravery is inspired by God's love and our powerful commitment to improve the lives of women, children and youth. United Women in Faith works for justice through compassionate service and advocacy to change unfair policies and systems that harm women, children and youth—from racial and gender injustice to economic inequality, climate issues and more.
