## **VOLUNTEER JOB DESCRIPTIONS**

**Greeter @ CUMC:** One greeter is needed to open the door from the patio. In inclement weather this greeter can stand inside, in the vestibule. A second greeter is stationed in the hall nearest the entrance, and directs persons to the coat racks (if necessary) and to the name badge table.

**Help in Kitchen:** Kitchen Helpers, with the use of carts, distribute water, condiments, cups, napkins, etc., and the plated lunch to the tables. After the luncheon they retrieve items to be stored or refrigerated.

**Help Decorate Tables:** Members of the Decorations Committee design the decorations to align with the speaker's presentation and procure the needed materials. Those who **Help Decorate Tables** join the Decorations Committee the day before the in-church event to decorate the tables. After the program they assist in removing the decorations.
