Delightful Delavan

Thursday, September 17, 2026

Join us for a delightful day of entertainment, delicious food, and beautiful lake views! Our adventure begins with the spectacular Dancing Horses performance, where graceful horses and talented trainers come together in a breathtaking show. Then we'll head to the beautiful Lake Lawn Resort to enjoy lunch at 1878 on the Lake, with time to browse the resort shops or simply relax and take in the scenery.

The afternoon features a narrated cruise aboard Lake Lawn's Queen, offering stunning views of Delavan Lake while highlighting the area's rich history and several homes inspired by renowned architect Frank Lloyd Wright. It's the perfect combination of fellowship, relaxation, and unforgettable memories—all in one delightful day!
